ROLL CALL; DECLARATION OF QUORUM; PUBLIC NOTICE

APPROVAL OF MINUTES

May 11, 2022 Meeting Minutes

OLD BUSINESS

22-1: The New Berlin Streets Department installed No Parking signs on Forest Ridge Drive per the New Berlin Safety Commission recommendation.

22-6: The New Berlin Streets Department installed Deer Crossing signs on westbound Coffee Road at Woelfel Road and on eastbound Coffee Road at Schwartz Road per the New Berlin Safety Commission recommendation.

22-7: The New Berlin Streets Department added reflective tape to the stop sign posts on Calhoun Road at Beloit Road per the New Berlin Safety Commission recommendation.

NEW BUSINESS

22-9: A New Berlin resident has requested the New Berlin Safety Commission look at the intersection of Lochleven Lane and Edinborough Drive. The resident reported the intersection is potentially dangerous because people do not stop or slow down when going through it. The resident advised that there was rollover accident at the intersection on 05/04/2022.

22-10: A resident has requested No Parking signs installed along Nettesheim Ln. Vehicles are parking along the road while waiting for school pick up. They are blocking driveways at times, and it is difficult to leave their homes when vehicles are parked on both sides.

TABLED ITEMS

21-9: To address recent citizen complaints, the New Berlin Police Department has increased enforcement on the "No Engine Braking" ordinance. To help mitigate this issue, the police department has requested "No Engine Braking" signs be placed at the borders of the city to warn drivers of the "No Engine Braking" ordinance. **(Tabled for a map study and further discussion).**

8. 22-2: Alderman Harenda has received concerns from residents of cut through traffic through the Karrington Woods and Conservancy subdivisions near College Avenue and Janesville Road. Alderman Harenda requested the Safety Commission review this issue and look for possible solutions. **(Tabled for a traffic study to be completed).**
9. 22-3: Alderman Garrigues requested the Safety Commission look at a parking concern on 147th Street north from National Avenue to Janice Place and on Janice Place in the area of 146th Street. Alderman Garrigues said vehicles are parking on both sides of the street in these areas causing a potential safety hazard due to the congestion. **(Tabled and referred to the city code compliance department for review).**
10. 22-8: A New Berlin resident requested the Safety Commission review the city's plan on widening the connecting walking trail at the dead end of Rosemary Drive into Hales Corners. The resident raised the concern that the additional widening of the trail will create more motoring traffic on the wooded "S" curve of Rosemary Drive. **(Tabled and will discuss after the residents had their meeting with the mayor).**
