1. June 8, 2022 Safety Commission Meeting Minutes

NEW BUSINESS

2. 22-11: A resident has requested speed limit signs be erected on Magellan Drive between Marquette Drive and Radisson Drive to address a speeding issue. The resident advised the police enforcement has not addressed the issue.
3. 22-12: A resident has requested speed humps to be installed on Foxwood Drive between Highpointe Drive and Park Central Boulevard. The resident advised that traffic is using Foxwood Drive as an alternative to National Avenue and vehicles are exceeding the speed limit creating an unsafe environment for the single family home neighborhood.
4. 22-13: A resident requested a 25 mph speed limit sign on Park Avenue east of Woodshire Drive. The resident stated vehicles speed on Park Avenue, especially during the school year, and it is dangerous for pedestrians.

TABLED ITEMS

5. 21-9: To address recent citizen complaints, the New Berlin Police Department has increased enforcement on the "No Engine Braking" ordinance. To help mitigate this issue, the police department has requested "No Engine Braking" signs be placed at the borders of the city to warn drivers of the "No Engine Braking" ordinance. (Tabled for a map study and further discussion).
6. 22-3: Alderman Garrigues requested the Safety Commission look at a parking concern on 147th Street north from National Avenue to Janice Place and on Janice Place in the area of 146th Street. Alderman Garrigues said vehicles are parking on both sides of the street in these areas causing a potential safety hazard due to the congestion. (Tabled and referred to the city code compliance department for review).

7. 22-8: A New Berlin resident requested the Safety Commission review the city's plan on widening the connecting walking trail at the dead end of Rosemary Drive into Hales Corners. The resident raised the concern that the additional widening of the trail will create more motoring traffic on the wooded "S" curve of Rosemary Drive. (Tabled and will discuss after the residents had their meeting with the mayor).
8. 22-9: A New Berlin resident has requested the New Berlin Safety Commission look at the intersection of Lochleven Lane and Edinburgh Drive. The resident reported the intersection is potentially dangerous because people do not stop or slow down when going through it. The resident advised that there was rollover accident at the intersection on 05/04/2022. (Tabled for a traffic study to be completed)
9. 22-10: A resident has requested No Parking signs installed along Nettesheim Ln. Vehicles are parking along the road while waiting for school pick up. They are blocking driveways at times, and it is difficult to leave their homes when vehicles are parked on both sides. (Tabled until more information can be made available by Heritage Christian).
