OLD BUSINESS

NEW BUSINESS

2. 22-21: Alderman Stribl has requested a study of the intersection of Sunny Slope Road and Howard Avenue for the installation of a traffic signal
3. 22-22: Alderwoman Kroupa has requested a study of Calhoun Road, from National Avenue to Coffee Road, for speeding vehicles

TABLED ITEMS

4. 22-3: Alderman Garrigues requested the Safety Commission look at a parking concern on 147th Street north from National Avenue to Janice Place and on Janice Place in the area of 146th Street. Alderman Garrigues said vehicles are parking on both sides of the street in these areas causing a potential safety hazard due to the congestion. **(Tabled and referred to the city code compliance department for review).**
5. 22-13: A resident requested a 25 mph speed limit sign on Park Avenue east of Woodshire Drive. The resident stated vehicles speed on Park Avenue, especially during the school year, and it is dangerous for pedestrians. **(Tabled for a speed data study, law enforcement traffic enforcement, and discussion with Orchard Lane School administration)**
6. 22-15: A resident has requested stop signs be install at the intersection of Pleasant Drive and Katherine Drive. The resident advised the intersection is uncontrolled and very dangerous, as cars speed through the intersection. **(Tabled for a traffic study)**
7. 22-18: A resident has requested speed humps on Michaels Road, between Oak Ridge Drive and Martin Road. The resident advised vehicles speed through the area, which creates a safety concern for children. **(Tabled for a traffic study)**

8. 22-19: A resident has requested stops signs at the intersection of Berlin Avenue and Prospect Place. The resident is concerned that there have been multiple accidents at this location. **(Tabled for confirmation of the correct intersection and a traffic study)**
9. 22-20: Alderman Stribl (via a resident) has requested changing the intersection of Michele Witmer Memorial Drive and Library Lane from a two-way stop sign to a four-way stop sign. **(Tabled for a traffic study)**
