Officer Fus confirmed the date of the event with Children's Hospital and Froedtert. Commissioners were asked to invite safety-type businesses that may be interested in participating. For more information, please contact Officer Tony Fus at Fus@nbpolice.org.

The Commission discussed activities and vendors that have been confirmed for 2024, such as; the bouncy houses, rock climbing wall, DJ, Natty Oaks, Sprecher booth, chairs, generators, 520 bike helmet handouts, Murphy & Prachthausner life vest handouts, Miss New Berlin and demonstrations.

Volunteers will be needed to; chaperon the bouncy houses, set-up, take-down, traffic control, and collect garbage. Employees from Froedtert will assist with hand-out and fit the bike helmets. The DNR will assist with hand-out and fit the life vests.

Officer Fus met with representatives from the New Berlin Public Library regarding "Touch A Truck" event that was previously handled by the Recreation Department. The program will be at Safety Saturday this year including trucks from the city streets, Utilities, and Buildings & Grounds Departments. Discussion continued regarding the possibility of having the first hour be sensory free as in the past. Since there are no sirens at Safety Saturday, the sensory free hour would not be needed. The possibility of having an ice-cream truck was also discussed.
