

Board of Appeals MEETING AGENDA

May 2, 2024 - 6:00 PM
Council Chambers
3805 S. Casper Dr.

Published 4/17/2024

AGENDA

1. **CALL TO ORDER, PLEDGE OF ALLEGIANCE**
2. **ROLL CALL; DECLARATION OF QUORUM; PUBLIC NOTICE**
3. **APPROVAL OF MINUTES**
 - A. March 7, 2024 Meeting Minutes
4. **NEW BUSINESS**
 - A. Petitioner requests to construct an elected attached deck 33 feet from the rear yard property line. The property is Zoned R-1/R-2, Rural Conservation Single Family Residential District, which requires a rear yard setback of 50 feet. A rear yard variance of 17 feet is required in order to obtain a building permit. This item was tabled at the March 7, 2024 meeting.
 - B. Petitioner is requesting to construct a 768 square foot accessory building 15 feet from the rear yard lot line. The property is zoned R-5, Medium Density Single Family which requires a rear yard setback of 25 feet. A rear yard variance of 10 feet is required in order to obtain a building permit.
5. **ADJOURN**

Supplemental Information:

- The meeting agenda and agenda packet are available online at www.NewBerlin.org. The minutes are published online and are approved at the next regularly scheduled meeting.
- It is possible that action will be taken on any of the items on the agenda and that the agenda may be discussed in any order.
- You may provide comments to the City Clerk via email at CitizenComments@NewBerlin.org. Comments will be forwarded to the Mayor and members of the governing body. Emailed comments are not read during the meeting.
- The City of New Berlin strives to host inclusive, accessible meetings that enable all individuals to engage and participate fully. Any person who has a qualifying disability under the Americans with Disabilities Act that requires that the meeting be accessible, please contact City Clerk Rubina R. Medina at (262) 786-8610 or via email at CityClerk@NewBerlinWI.gov at least 48 hours before the scheduled meeting time. Efforts will be made to accommodate the needs of disabled individuals through appropriate aids and/or services.
- It is also possible that members of and possibly a quorum of other governmental bodies of the municipality may be in attendance at the above-stated meeting to gather information; no action will be taken by any governmental body at the above-stated meeting other than the governmental body specifically referred to in the above notice.

Board of Appeals MEETING MINUTES

March 7, 2024 - 6:00 PM
Council Chambers
3805 S. Casper Dr.

Please note: Minutes are unofficial until approved at the next regular scheduled meeting.

MINUTES

1. CALL TO ORDER, PLEDGE OF ALLEGIANCE

Board Member Klappa called the meeting to order at 6:01PM and led the Pledge of Allegiance.

2. ROLL CALL; DECLARATION OF QUORUM; PUBLIC NOTICE

Joelle Erickson took the roll call as follows:

Present: Board Member Oldham, Board Member Klappa, Board Member Goetter, Board Member Langer, Alternate #1 Board Member Willoughby

Excused: Commissioner Scott Schulpus

Staff Present: Code Compliance Specialist Dan Hogan, Community Relations Specialist Joelle Erickson

3. APPROVAL OF MINUTES

A. February 1, 2024 Meeting Minutes

MOTION: Motion to Approve February 1, 2024 Minutes

VOTE: Motion by: Board Member Goetter
Second by: Board Member Oldham
Motion Passes 5-0

4. NEW BUSINESS

A. Petitioner requests to construct a 384 square foot accessory building 5 feet from the side yard property line. The property is located at 17905 W. Roosevelt Avenue and is Zoned R-5, Medium Density Single Family Residential District, which requires a yard setback of 10 feet. A side yard variance of 5 feet is required in order to obtain a building permit.

Petitioner #1 (Vernard Oleinik, 17905 W. Roosevelt Avenue): Jason Oleinik N81 W15085 Appleton Avenue, Menomonee Falls, WI 53051) is the son of Petitioner #1 and is speaking on behalf of his father. Board Member Klappa: Why should we give you a variance?

Petitioner #1: I would like to construct a decent sized shed to house all the garden and materials that I have. We are currently paying a storage facility to store these items. In error, we thought that the 5' setback was all that we needed. All the surrounding neighbors had no objections to the shed. For the past 50 years, we ran under the assumption of the property line until a survey was completed and realized that it was incorrect. We had already purchased the concrete slab so it would be very expensive (and possibly impossible) to move the slab after it's been poured. We've already spent \$6,000 for the concrete to be poured.

Board Member Klappa: When did you put the slab in? Last year?

Petitioner #1: I believe it was September of last year.

Board Member Klappa: Has the shed been built yet?

Petitioner #1: No sir. We put a stop to it – the shed is from Home Depot and it's a pre-fabricated shed. Home Depot obtained the building permit on behalf of them and it got denied.

Board Member Klappa: These are the signatures of the neighbors that support your request?

Petitioner #1: Yes, from all the surrounding neighbors.

Board Member Klappa: Anything else you want to add?

Petitioner #1: It would just be a great relief and would be helpful if the city did this for us besides the trash and garbage pick-up.

Board Member Langer: Was the cement slab poured not knowing where the property line was?

Petitioner #1: No, we had a survey done prior to that and then the slab was poured. We were under the understanding that 5' was all we needed from the property line.

Board Member Langer: Where did that understanding come from?

Petitioner #1: I went on the City's website, and I was reading through the different statutes and I saw that it said it had to be 5' from the property line. So when the permit got denied I went in and read deeper and further and saw that it said 10' instead.

Board Member Langer: Did you say there is a tree line on the property line? On the East side?

Petitioner #1: Yeah, there is a line of trees but it's not a full barrier of trees.

Board Member Langer: The neighbors to the East and the West have no objections?

Petitioner #1: None. They are perfectly fine with it. Every house I went to – they were happy to sign it. One neighbor is in Florida for the Winter so I have no way to contact them.

Board Member Klappa: Did you have a permit prior to pouring it to build the structure?

Petitioner #1: Tough Sheds will not even apply for the permit until the base is completely done.

Board Member Oldham: Was there a structure there beforehand?

Petitioner #1: No.

Board Member Oldham: It was just a plastic shed that sat on the ground without a slab?

Petitioner #1: Yes.

Board Member Goetter: What is the dimension of the building?

Petitioner #1: 16' x 24' feet. The length (24') runs along the property line.

Board Member Klappa: Anyone else here to speak in favor? Anyone else here to speak in opposition? No, then we will go to closed session.

Board Member Goetter: I make a motion to approve the request.

Board Member Langer: I seconded the motion.

Board Member Goetter: I don't see a hardship and I don't see why it couldn't be in the correct place except that they went ahead with an assumption that was incorrect. I think by not approving this we would make a very difficult thing for the petitioner to correct. And the next-door neighbor seems to be okay with this request. We are not going to accomplish much by making them move this slab.

Board Member Langer: I agree with that. They are only asking for a 5' variance. If it was a 25' variance I might think differently. It would be a financial hardship. It's next to a tree line that blocks the area. I believe this qualifies for a hardship.

MOTION: Motion to Approve 5' Variance for 17905 W. Roosevelt Avenue

VOTE: Motion by: Board Member Goetter
 Second by: Board Member Langer
 Motion Passes 5-0

- B.** Petitioner requests to construct a 432 square foot accessory building 25 feet from the rear yard property line. The property is located at 5015 S. Rolling Meadow Drive and is Zoned R-1, R-2, Rural Conservation Single Family Residential District, which requires a rear yard setback of 50 feet. A rear yard variance of 25 feet is required in order to obtain a building permit.
- Petitioner #1 (Kirt & Jodi Stephens, 5015 S. Rolling Meadow Drive): Chad, is our neighbor, and I have spoken to him several times about this and he would be the neighbor to the South that would be most affected by this setback; he has signed the request.
- Board Member Goetter: Is the shed built already?
- Petitioner #1: No, nothing has been done.
- Board Member Langer: I'm looking at a google map, your set back is 50' but your neighbor's setback is 25'.
- Petitioner #1: Yes, that is correct because of the corner lot.
- Board Member Klappa: Being that your address is where it is – it should be a side setback. Because your address is on Rolling Meadow.
- Code Compliance Specialist Dan Hogan: They use architectural front. So their front door faces Hillcrest Drive. But you are correct that it is unique because it is a corner lot.
- Board Member Willoughby: You have provided a map with what looks to be markings of a mound set back in blue?
- Petitioner #1: Yes, that is correct. It's a satellite view in Google Maps.
- Board Member Langer: Are you saying you couldn't put it 50' back?
- Petitioner #1: Correct. If we did, it would be on the mound.
- Board Member Goetter: Can you tell us what the shed is being used for?
- Petitioner #1: We have a shed – an 8'x10'. It mostly houses our lawnmowers and snowblowers. It's getting to the point that it is starting to rot out and need to take it down and we have to put something else in there. We would like to have more space for storage. I have a couple of motorcycles as well.
- Board Member Klappa: So obviously that shed would come down?

Petitioner #1: Yes, the builder would demo the shed.

Board Member Klappa: Is anyone else here to speak in favor? Is anyone here to speak in opposition? No. Then we will move to closed session and will entertain a motion.

Board Member Oldham: I will make a motion to approve.

Board Member Langer: I second the motion to approve.

Board Member Oldham: It's the proverbial corner lot jinx that we have seen before. And he has a mound system and it doesn't look like there is any other place he could move that thing because of the mound system. And there is 2-50' foot setbacks because it is a corner lot. We have looked at these corner lot cases in the past and considered that to be a hardship case.

Board Member Goetter: It is unreasonable to say that we have to stick to that 50' setback. The guy has 3-50' foot setbacks.

MOTION: Motion to Approve 25' foot variance for 5015 S. Rolling Meadow Drive

VOTE: Motion by: Board Member Oldham
Second by: Board Member Langer
Motion Passes 5-0

- C. Petitioner requests to construct and elevated attached deck 33 feet from the rear yard property line. The property located at 19155 W. Hillcrest Drive is Zoned R-1/R-2, Rural Conservation Single Family Residential District, which requires a rear yard setback of 50 feet. A rear yard variance of 17 feet is required in order to obtain a building permit.

The petitioner and their contractor weren't able to attend the meeting. The board voted on tabling the Motion.

MOTION: Motion to Table, 17' variance for 19155 W. Hillcrest Drive

VOTE: Motion by: Board Member Goetter
Second by: Board Member Oldham
Motion Passes 5-0

5. ADJOURN

MOTION: Motion to Adjourn at 6:55PM

VOTE: Motion by: Board Member Goetter
Second by: Board Member Langer
Motion Passes 5-0

Respectfully Submitted,
Joelle Erickson, Community Relations Specialist

STAFF REPORT SUMMARY

Board of Appeals

MEETING DATE: May 2, 2024

PETITIONER: John Devlin on behalf of Matt Dlugi

CASE NUMBER: BA-24-2673

LOCATION: 19155 W Hillcrest Dr

REQUEST: Petitioner requests to construct an elevated attached deck 33 feet from the rear yard property line. The property is Zoned R-1/R-2, Rural Conservation Single Family Residential District, which requires a rear yard setback of 50 feet. A rear yard variance of 17 feet is required in order to obtain a building permit.

CITY OF NEW BERLIN
DEPARTMENT OF COMMUNITY DEVELOPMENT
BOARD OF ZONING APPEALS STAFF REPORT
Meeting of May 2, 2024

John Devlin on behalf of Matt Dlugi/ Variance Request
19155 W Hillcrest Dr

DATE: February 27, 2024

APPLICANT / OWNER(S): John Devlin on behalf of Matt Dlugi

REQUEST/DESCRIPTION OF VARIANCE: Petitioner requests to construct an elevated attached deck 33 feet from the rear yard property line. The property is Zoned R-1/R-2, Rural Conservation Single Family Residential District, which requires a rear yard setback of 50 feet. A rear yard variance of 17 feet is required in order to obtain a building permit.

DATE OF APPLICATION: January 24, 2024

SIZE OF PARCEL: 0.79Acres

CURRENT ZONING: R-1/ R-2 Rural Conservation Single Family Residential District

CURRENT LAND USE: Residential

PROPOSED LAND USE: No change

ADJACENT ZONING AND LAND USE:

North Zoning:	R-1/R-2	Land Use:	Rural Conservation Single Family Residential District
South Zoning:	R-1/R-2	Land Use:	Rural Conservation Single Family Residential District
East Zoning:	R-1/R-2	Land Use:	Rural Conservation Single Family Residential District
West Zoning:	R-1/R-2	Land Use:	Rural Conservation Single Family Residential District

CONFORMANCE WITH COMPREHENSIVE PLAN AND MUNICIPAL CODE: Current use of property conforms to the Comprehensive Plan and Municipal Code.

ZONING CODE (CHAPTER 275): N/A

PROPOSED ARCHITECTURE: 432 Square Foot Accessory Building

UNIQUE SITE CHARACTERISTICS:

Environmental Corridor: No

Wetland on Property: No

Conservancy Districts (C-1, C-2): No

NRCS Map Classification: N/A

Floodplain: No

Topography / Geologic: flat

NATURAL RESOURCES PROTECTION:

- Limits of Disturbance (LOD): N/A
- Wildlife Habitat Protection: N/A
- Wildlife Management Plan: N/A

ENVIRONMENTAL IMPACT: No impact to the local environment anticipated.

STORMWATER MANAGEMENT / DRAINAGE PLAN: Applicant is required to adhere to all City of New Berlin Codes, Ordinances and Plans regarding storm water conveyance and maintenance as identified by the Department of Community Development.

SANITARY SEWER PROVISION:

- Within Current Sewer Service Area: No
- Basin Capacity Available: N/A
- Basin Balance (If known): N/A
- Adequate Linkage: N/A

PREVIOUS BOARD OF APPEALS ACTION: N/A

CONSISTANCY WITH PREVIOUS ACTION: N/A

FINDINGS:

1. Table 275-33-2 of the Zoning Code requires a rear yard setback of 50 feet in the R-1/R-2 Zoning District.
2. Project requires a Building Permit and must meet setbacks due to height of deck.
3. Petition was tabled at the March 7, 2024 Board of Appeals meeting.

Property Owner Matt Dlugi

NOTE: Should the Board of Appeals approve your variance, you will also need to obtain the appropriate zoning and/or building permits. A Board of Appeals approval does not grant final approval for your respective use or construction project. It is the property owner's responsibility to ensure that the appropriate permits have been received prior to the commencement of any construction and/or occupancy.

INSTRUCTIONS

All petitions must be accompanied by a survey showing the existence of the present use and the change required. Scaled drawings may be substituted for surveys. However, the Board may request a certified survey at the time of the hearing. Photographs and blueprints of proposed construction are helpful. A \$50.00 filing fee plus a \$200.00 administrative fee must be paid at the time the petition is filed for setback, square footage, height and floodplain variance. A \$500.00 administrative fee plus a \$50.00 filing fee is required for Plan Commission appeal.

Petitions must be received on or before 4:30 pm of the required due date in order for the petition to be scheduled for review by the board on first Thursday of the following month. Meetings are normally held at 6pm

At the hearing, proper documentation will be reviewed. Petitioner, or agent, will speak first along with those who favor the petition. Those who oppose the petition will be given the opportunity to speak after the affirmative case has been argued. All argument should be relevant to the appeal presented. The Board may, at its discretion, limit debate and place witnesses under oath.

Application Type (Time frame)*	Fees	Required Plans/Information (Failure to submit all required plans will result in rejection of the application.)

RE: Office Review - Preliminary Site Evaluation
Wood Deck
19155 W. Hillcrest Ct.
City of New Berlin

Dear Matt Dlugi:

A plan review of your proposed improvement was conducted on the above referenced premise. The purpose for this review is to determine the approximate location of your private sewage system and whether this improvement to your property could have a detrimental effect on the continued operation of your existing system.

Based on the site evaluation, it is this Department's position that the proposed improvement on your property would not have an adverse effect on the operation of your private sewage system. This Department would not object to the improvement as requested provided the following is met:

Deck posts must be a minimum of 5 ft. to the septic tank and 10 ft. from the absorption field.

A building permit from the local building inspector must be obtained prior to construction of the above referenced improvement. Please consult local officials for regulations and permits covering this work.

The following comments are being made to you regarding the evaluation of your private sewage system.

This premise is served by a mound private sewage system. Our records indicate the mound system was installed on October 6, 2021, by Robert Lietzau, plumber number 232132, and consists of a 1,200 gallon two compartment septic tank, a 1,000 gallon lift pump tank and two 8 ft. by 37.5 ft. mound areas.

Environmental Health Division
515 W. Moreland Blvd., AC 260
Waukesha, Wisconsin 53188
Phone: (262) 896-8300 Non-Metro: 1-800-567-2366 • Fax: (262) 896-8298
www.waukeshacounty.gov/eh

In addition a sewage filter is located inside your septic tank. Filters are designed to remove suspended matter which would otherwise exit the septic tank and enter the soil absorption system causing clogging to occur. Compared to routine tank pumping, filter maintenance may be necessary at more frequent intervals to prevent clogging. Filter maintenance is usually done by a sewage hauler or homeowner.

This private sewage system was for a residence having no more than 4 bedrooms.

If you have any questions concerning this letter, please feel free to call our Department at (262) 896-8300.

Sincerely,

A handwritten signature in black ink, appearing to read 'LB' with a stylized flourish extending to the right.

Overview Map

Legend

- Subject to Action
- Notified Parcels
- Other Parcels

Notified parcels (green hash lines) are those properties that fall within 600 Feet of a property that is subject to City of New Berlin action.

0 250 500 Ft

To who it may concern.

I am the home owner at 19155 W Hillcrest Ct. My wife and I built this house with a partial exposed basement. It's at least a six foot deep from the patio door to the ground so we need an elevated deck with stairs. Also the width of the patio door is six foot and it faces the south, so we would need to expand the deck west to make it functioning. Currently the deck would only be 8 feet from the house.

Thanks

Matt Dlugi

Matt Dlugi

19155 W Hillcrest Dr

To Whom it may concern/ City of new Berlin Board:

The current setback from the west lot line to the house at 19155 W. Hillcrest Dr is 50 feet. (This Would only allow a 7 to 8 foot deep deck)

We are requesting a 17 foot variance to the lot line for a (larger) deck.

Set back would be 33 feet from the lot line.

Thank you for the consideration,

Matt Dlugi (homeowner) 414-975-5319

John Devlin (Contractor) 414-333-6633

Subject: Letter of protest - Appeal of Zoning requirements for 19155 W. Hillcrest Dr.

You don't often get email from thomas.nowalisjr@wellsfargoadvisors.com. [Learn why this is important](#)

Hi Dan,

Thank you for your time on the phone last week. Please see below and let me know if you have any questions.

-Tom & Lisa Nowalis

Greeting from the Nowalis Family:

We understand that the board of appeals has to deal with many complex and sensitive issues, and we thank you for your service to our community.

We are writing this letter in regard to the appeal of the zoning set back regulations for address 19155 W Hillcrest Dr. New Berlin, WI. We have received notice that our neighbor property owners would like to expand upon their elevated deck and build outside of the proper setback limits that the City of New Berlin specifies.

We are the immediate neighbors to the west of the property and are greatly impacted by your decision. Although our neighbors are wonderful people, we respectfully ask the board of appeals to review this request carefully. We have three main concerns:

1. **The privacy of our family.** The land at 19155 W Hillcrest Dr. has been coded historically as a flood plain. When the property owners built their home, they built at the ground level with an exposed basement. Due to the layout of their home, the view from their kitchen and living room looks directly into our entire backyard. This has left us feeling as though we cannot spend time in our backyard or garage while having reasonable privacy. We are concerned that having an expanded elevated deck will only exacerbate this, which is especially unsettling since we have a 3.5 year old daughter and an infant.
2. **Resale value of our home at 19225 W Hillcrest Drive.** Building in such proximity encroaches on the property line which creates an inconsistency with the rural zoning requirements of the west side of New Berlin. The property owners also have a fire pit very close to the property line which is about 15 feet away from our outbuilding. We are concerned that additional encroachment on the property line will significantly reduce the resale ability and value of our property.
3. **The inability to do anything to rectify the prior two concerns.** In order to remedy to the first two concerns, we would need to install a privacy fence in elevation in excess of 15 feet in height, which likely would not be approved. An alternative would be to install arbor vitae or other privacy trees on the lot line. This would be a significant expense on our part and we would have to purchase trees that would require many years of growth and offer no immediate privacy.

We recognize this could be a difficult decision to make, so we invite you to come tour our property if that would be helpful to you. If you would like to discuss further, please don't hesitate to contact us directly at 414-803-0209.

Thank you for your consideration.

To: Hogan, Dan
Subject: Larger Deck at 19155 W Hillcrest Dr

You don't often get email from alexwitte7@gmail.com. [Learn why this is important](#)

Dan,

My name is Alex Witte. I live at 19200 W Hillcrest Dr, New Berlin, WI 53146.
I received the letter regarding the request to encroach on a lot line with a larger deck.
I am writing in opposition to their request to encroach any further.

While I can empathize with wanting something more or different I don't believe it would be fair to those around them.

I am not a deck builder, but I imagine there are many deck designs that could utilize the space to the North and South of their yard closer to the house that wouldn't encroach on the lot line any further. It would likely require modifying the existing deck. The existing deck hasn't been erected for that long and some of the materials could be salvaged for the new deck to cut down on costs.

I feel the opinions of the families at 19225 W Hillcrest Dr and 19125 W Hillcrest Ct should be weighed more heavily than mine as their lot lines are connected whereas the rest of us are just looking at it from a distance.

You can use my statement, name, and address during the hearing if necessary.

Give me a call if you think it's necessary.

Best,
Alex Witte

Subject: 19155 Hillcrest- Board of Appeals

Joelle,

On February 22, 2024 I received a call from Diane Schubert of 19250 Hillcrest Dr. She left me a voicemail to disclose her opposition of the Board of Appeals variance request for 19155 Hillcrest Dr.

Please make sure that this makes it into the record for this appeal.

Thanks

Property Owner Ryan Heeti

NOTE: Should the Board of Appeals approve your variance, you will also need to obtain the appropriate zoning and/or building permits. A Board of Appeals approval does not grant final approval for your respective use or construction project. It is the property owner's responsibility to ensure that the appropriate permits have been received prior to the commencement of any construction and/or occupancy.

INSTRUCTIONS

All petitions must be accompanied by a survey showing the existence of the present use and the change required. Scaled drawings may be substituted for surveys. However, the Board may request a certified survey at the time of the hearing. Photographs and blueprints of proposed construction are helpful. A \$50.00 filing fee plus a \$200.00 administrative fee must be paid at the time the petition is filed for setback, square footage, height and floodplain variance. A \$500.00 administrative fee plus a \$50.00 filing fee is required for Plan Commission appeal.

Petitions must be received on or before 4:30 pm of the required due date in order for the petition to be scheduled for review by the board on first Thursday of the following month. Meetings are normally held at 6pm

At the hearing, proper documentation will be reviewed. Petitioner, or agent, will speak first along with those who favor the petition. Those who oppose the petition will be given the opportunity to speak after the affirmative case has been argued. All argument should be relevant to the appeal presented. The Board may, at its discretion, limit debate and place witnesses under oath.

Application Type (Time frame)*	Fees	Required Plans/Information (Failure to submit all required plans will result in rejection of the application.)
☒ Setback/Size Variance	\$200+ \$50 Filing Fee	☐ Nature of Appeal – 8 copies ☐ Hardship Argument – 8 copies ☐ Scaled Drawing/ Survey – 8 copies ☐ Photos – 8 copies
☐ Flood Plain	\$200+ \$50 Filing Fee	☐ Nature of Appeal – 8 copies ☐ Hardship Argument – 8 copies ☐ Scaled Drawing/ Survey – 8 copies ☐ Photos – 8 copies

13626 W. Montana Ave
New Berlin, WI 53151

Nature of Appeal

To whom it may concern,

I am starting an accessory building project on my lot. The nature of my appeal is in relation to the rear setback that is required. The present code for R5 zone requires 25 feet of rear setback. I am requesting 15 feet of rear setback. A variance of 10 feet of rear setback is requested.

Thank you for your consideration,

Ryan Heeti

A handwritten signature in black ink, appearing to read "Ryan Heeti", with a long horizontal flourish extending to the right.

Ryan Heeti
13626 W. Montana Ave
New Berlin, WI 53151

Hardship Argument

To whom it may concern,

The reason for this request stems from being limited in storage/useful space with our current garage size on our property. I would like to add an additional accessory building (2nd garage). We originally bought this property in New Berlin because we fell in love with the space the lot provided for us, yet still had the neighborhood feeling along with it. Our family has grown in the last couple years as well as our hobbies. So, with the space our current garage provides we are out of room. We have a fenced in back yard for the dog and kids to run around and play in. The hardship comes into play when we are required to follow the 25 foot rear setback code for our zone. This pushes the garage further up into our backyard towards our home and takes away from the beautiful large backyard we love. It then also shrinks the space to be able to maneuver around in front of the 2nd garage to be able to get cars/equipment in and out of. The property to the rear of our lot is zoned Rd-1 and there is no real usable land between our 2 properties. There is a wooded barrier between our 2 lots that runs about 20-30 feet in depth. Their structures are also pushed up close to Cleveland Ave and are not near the rear of their lots. The rear and sides of our property are lined with 50-foot-tall pines which provide good cover to where the 2nd structure wont be very visible from behind or the sides of our property either. In short, we would like to preserve as much as the beautiful backyard we currently have while still adding a usable structure to help with our growing family. Moving the 2nd garage back 10 feet will go a long way in helping us achieve this goal.

Thank you for your consideration,

Ryan Heeti
