- a. Currently in effect or becoming effective during the term of the policy; and
- b. Executed prior to the “bodily injury,” “property damage,” or “personal and advertising injury.”

1. That person or organization is an additional insured only with respect to liability for “bodily injury,” “property damage” or “personal and advertising injury” caused, in whole or in part, by:
 - a. Your acts or omissions; or
 - b. The acts or omissions of those acting on your behalf.

A person’s or organization’s status as an additional insured under this endorsement ends when your operations for that additional insured are completed.

2. With respect to the insurance afforded to these additional insureds, the following exclusions are added to item **2. Exclusions** of **SECTION I—COVERAGES**:

This insurance does not apply to “bodily injury,” “property damage” or “personal and advertising injury” occurring after:

New Berlin, WI 53151

2025 CONTRACT

This contract entered into this _____ day of _____ 202__, engages the services of Chrome Fireworks & Displays, LLC, hereinafter referred to as "Chrome", to produce and perform a pyrotechnic display on behalf of Sponsor under the following terms:

This contract, together with the City of New Berlin's Terms and Conditions, represents the entire agreement between the parties hereto and there are no collateral or other agreements or understandings. Where there is conflict between this contract and the City of New Berlin's Terms and Conditions, the City's Term and Conditions will control.

1. The date of the display will be Sat Jan 11, 2025. In case of inclement weather, the display will be rescheduled for _____. Chrome will have complete authority to cancel the display if, in the reasonable opinion of Chrome, the health, safety, and well-being of the pyrotechnicians, spectators or property would be jeopardized by proceeding with the display including inclement weather or imminent threat thereof.
2. The cost of the display will be \$ 6,500. Upon signing this Contract, Sponsor will pay an initial payment to Chrome in the amount of \$ N/A. The remaining balance will be paid within 10 days of the display. A late fee of 1.5% per month shall apply to any unpaid balance remaining beyond a 10-day period. Should a cancellation occur once crew is enroute or onsite, the cost of insurance, labor and any non-reusable items will be billed or deducted from the deposit, minimum 50% of budget amount.
If Chrome and Sponsor agree to cancel and event, likely due to display date weather issues, and a nearby reschedule date cannot be obtained, the Sponsor agrees to reimburse Chrome for incurred expenses including insurance at 15% of the budget amount plus any permit fees and other costs incurred by Chrome for the Sponsor's display.
3. Sponsor will procure and furnish a suitable location for the fireworks display with adequate distances from audience, roof tops, flammable materials and other hazards in compliance with NFPA 1123 guidelines - including a minimum spectator set back of at least 350 feet at all points from the largest diameter mortars. Sponsor will secure all police, fire, local and state permits, and shall arrange for all security bonds if required by law for the location of the display. Sponsor will furnish all necessary police, fire and other appropriate protection necessary for proper crowd control and protection, automobile parking, and supervision in clearing of debris after the display. Sponsor will be solely responsible for keeping all unauthorized persons out of the display firing area and behind the safety zone lines.
4. Chrome reserves the right to make substitutions as to the amount, size and description of fireworks as is reasonably necessary to address site, weather, health, supply availability and safety concerns should they arise.
5. **Prior Cancellation:** Should the fireworks display(s) agreed upon in this Contract be cancelled by the Client prior to the fireworks display date, shall result in liquidated damages payable to Chrome Fireworks from the Sponsor for an amount equal to 40% of the Contract price plus any and all other related costs

incurred by the Display Operator in resolving matters related to failure of Client to fulfill this Contract, including but not limited to court costs, attorney fees, litigation expenses, witness fees/expenses, travel expenses and similar costs), prejudgment interest, post judgment interest, fees, and expenses incurred by the Display Operator.

6. **Bad weather and Shoot Trailers:** In event of worsening weather conditions at the planned showtime, Chrome will need flexibility on shoot times, earlier or later depending on weather conditions. Chrome often provides electronic & shoot trailer shows for utmost performance of the firework show. The downfall of these electronic setups is that they CANNOT be dismantled. The show will need to be fired or secured/ stored until the nearby rain date. It is very hazardous and potentially fatal to our crews to dismantle this type of display. Chrome needs flexibility of the Sponsor to shoot the show or adequately secure the setup until the rain date.

7. **Setup:** Chrome will provide qualified pyrotechnicians who will deliver, set-up, execute, dismantle and cleanup the pyrotechnic display. In some cases, the crew shall arrive the night prior to the event to begin setup.

8. **Clean Up & Searches:** The pyrotechnicians shall conduct an after-display search of the grounds in an effort to locate and dispose of any unexploded fireworks. The search shall be reasonably dictated by such elements including, but not limited to terrain, ground cover, weather conditions and time of completion of display. Chrome pyrotechnicians will provide reasonable cleanup for the site immediately following the display. All equipment, firework packaging, and larger debris will be removed to the best of the crew's ability before leaving the display area. Sponsor shall provide a nearby dumpster or other adequate space for boxes, spent cakes and refuse after the display.

After our cleanup pieces of paper, cardboard, multi-shot cake inserts and fuse casing will remain but should disappear with weather, time and/or lawn mowing. In concentrated areas of debris particles for example, Chrome often uses leaf rakes if the site and ground cover allows, without being required, our crews provide reasonable effort to clean up the large debris for the Sponsor.

9. Chrome will conduct a reasonable search of the display area before departure, in an attempt to locate any damages or unexploded shells. Sponsor acknowledges that an early morning search of the area is of utmost importance, or as soon as reasonably possible following the display. This search is to locate anything abnormal including site damage or unexploded fireworks that might not have been spotted by Chrome in the night. In the event that Sponsor discovers any unexploded fireworks, Sponsor will immediately contact Chrome and Chrome shall be responsible for removing said fireworks as soon as possible after receipt of such notice. **Please notify Jim Krueger via cell phone 608-732-4545. If you have a cell # for your crew lead they may be notified also.**

10. \$5,000,000 Insurance: Unless otherwise agreed, Chrome shall provide General Liability and Property Damage Insurance for the fireworks display in the amount of \$5,000,000 naming the Sponsor as an additional insured party. The current industry standard is \$1,000,000 of such coverage. A certificate evidencing liability insurance shall be provided to Sponsor before the display. Sponsor will notify Chrome of any additional insureds prior to issuing the insurance certificate.

The sponsor and landowner along with other entities and individuals listed on the certificate of insurance shall be deemed an additional insured per this contract. No additional written agreement is needed for endorsement.

Chrome is also covered with \$5,000,000 of MCS-90 Transportation insurance which is compliant with Dept. of Transportation interstate regulations.

The pyrotechnicians on site are covered with a \$500,000 Workers Comp insurance policy, proof of all insurances are readily available by request.

11. Chrome shall take all steps reasonably anticipated to safeguard spectators and Sponsor's property. Should any losses occur which Sponsor believes are the result of Chrome's firework display, Sponsor will immediately notify Chrome of the nature of the loss and the date on which the loss occurred. Said notice shall be in writing and provide as much detail as possible regarding the extent of the loss (including clear pictures) as this process will be required by the insurance adjusters.
12. In the event of fire, accident, flood, act of God or other causes beyond the control of Chrome which prevents Chrome from performing under this contract, other than inclement weather, both parties agree to terminate this contract and all performance requirements and damages resulting therefrom.
13. The Sponsor will pay to Chrome pay all costs (including but not limited to court costs, attorney fees, litigation expenses, witness fees/expenses, travel expenses and similar costs), prejudgment interest, post judgment interest, fees, expenses, and all damages incurred by the Chrome through enforcing this contract.
14. The Sponsor agrees to indemnify, hold harmless and defend Display Operator and employees from any and all claims brought against the Display Operator for any and all accidents, incidents or allegations not directly related to the Display Operator's agreed upon contractual duties and obligations, aka: any other liabilities arising from sponsor's event.
- Chrome will provide the General Liability insurance certificate to Sponsor for the purpose of insuring Chrome's risk in performing contracted duties involving the fireworks display. However, Chrome will be indemnified and held harmless for the remainder of the Sponsor's event or issues arising as result of the event. This includes but is not limited to the event's activities, other contractors, vendors, traffic issues, and members of general public, audience and/or any other matters beyond the direct control, scope, and duty of Chrome's contract.
15. This Contract will be construed by laws of the state of Wisconsin. If any provision of this agreement is deemed unenforceable by any court of competent jurisdiction, the remaining provisions hereof shall remain in full force and effect.
16. This Contract constitutes the entire agreement between the parties hereto and supersedes all prior and contemporaneous agreements, understanding, negotiations and discussions, either oral or executed in writing by the parties to be bound thereby. Chrome reserves the right to transfer the contract at which time the duties and liability would also be transferred in entirety, indemnifying and holding harmless Chrome. The waiver of any provisions of this Contract will not constitute a waiver of any other provision of this contract.
17. The party signing this document on behalf of Sponsor warrants and represents that (s)he is solely authorized to enter into this agreement on behalf of the Sponsor.

SERVICES AGREEMENT

This Services Agreement (“Agreement”) is made and entered into this _____ day of _____, 2024 by and between the CITY OF NEW BERLIN, a Wisconsin municipal corporation, with its principal office located at 3805 South Casper Drive, New Berlin, Wisconsin, 53151 (hereinafter referred to as the “City”) and Wisconsin Basketball Officials Association (hereinafter referred to as “Instructor”).

WHEREAS, the City offers recreational classes to the public; and

WHEREAS, Instructor provides Basketball Officials for the New Berlin Youth Athletics Basketball League; and

WHEREAS, the parties are desirous of establishing the relationship where Instructor provides officials to the City during the 2024-2025 Basketball League Season.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties do hereby covenant and agree as follows:

1. Instructor holds themselves out as being qualified to provide basketball officials. The City does hereby retain the Instructor to hire, schedule, and supervise basketball officials for the New Berlin Youth Athletics Basketball League as provided for hereunder.

2. All games are to be held at the New Berlin Activity and Recreation Center, Ronald Reagan Elementary School, and Elmwood Elementary School in the City of New Berlin in a space to be assigned by the City. The specific referee schedule shall be established, occurring once per month, by the parties.

3. The Instructor agrees to provide basketball referees at a rate of \$35 per game, plus a \$200 scheduling charge per season. After the end of the season, the Instructor will submit an invoice to the City, and payment for services will follow the City Finance Department policies. The Instructor agrees to provide the City with a signed IRS W9 form.

4. City will provide Instructor with a class participant list and game schedule.

5. Instructor agrees to provide such staff as may be necessary to referee the basketball games and understands that it is a requirement of the City that, when games are offered to minors, there shall be not less than two (2) adults present during the instruction time. The City acknowledges that, if parents and/or spectators are present during an instruction time, this would satisfy the foregoing requirement for that particular instruction time. The Instructor agrees to maintain supervision of minor class participants at all times until such minors are picked up by a parent, guardian or authorized adult. Except when minor class participants are accompanied by a

parent, guardian or other authorized adult, Instructor shall not permit minor class participants to exit the facility or leave the gymnasium area unsupervised.

6. That Instructor agrees to carry comprehensive general liability insurance with limits of not less than \$1,000,000.00 per occurrence and \$2,000,000.00 in the aggregate, which insurance coverage shall provide that the City is named as an Additional Insured on a primary and non-contributory basis.

7. The Instructor is solely responsible for, and shall have sole control of, the performance of the services. The parties acknowledge that the Instructor is not an employee of the City of New Berlin and Instructor is solely responsible to determine the instruction methods and performance of the instruction provided for in this Agreement.

8. Instructor acknowledges that neither they, nor their employees, are employees of the City for purposes of income tax retirement system or social security withholding.

9. Instructor accepts liability for any damage to a participant's equipment that occurs as a result of Instructor's services and which damage occurs during a scheduled class. City acknowledges that Instructor is only responsible for the area of the building utilized during the scheduled class. Instructor will check the building area upon leaving, turn off lights, and restore the gym to previous set-up. Instructor is not liable for damage to building that occurs after the class has ended and participants have left.

10. Either party may terminate this contract, in whole or in part, for the convenience of the parties at such time as either party determines that the continuation of the work is not in the best interests of said party upon thirty (30) days written notice to the other.

11. Instructor will defend and hold harmless the City as and against any and all claims, demands, actions or causes of action brought by a third party for damages or losses arising out of the Instructor's performance of the work under this Agreement. Said indemnification shall include the City's actual attorney fees. Notwithstanding the foregoing, the obligation to indemnify shall not exist to the extent of the City's gross negligence or intentional conduct. The Instructor's obligation to indemnify shall include its employees and/or agents.

12. This Agreement represents the complete understanding of the parties with respect to the subject matter herein, and may only be modified in a subsequent agreement executed by each party.

13. This Agreement shall be governed and construed in accordance with the laws of the State of Wisconsin.

AMERICANS WITH DISABILITIES ACT

The City of New Berlin fully supports the provision of the Americans with Disabilities Act. It is committed to supporting the full inclusion of persons with disabilities into programs, classes, services, and public facilities so that full participation may be enjoyed by all. Persons with a disability may request a reasonable accommodation to participate with the City of New Berlin by contacting our department in advance at (262)-797-2443.

All requests must be made at least 14 days before the start date of the program/service.

REGISTRATION INFO

Due to increasing concerns about concussions in youth sports, we ask that you please review the following information, by following with Wisconsin Act 172, statute 118.293. Our participants' safety is our number one concern!

WHAT IS A CONCUSSION?

A concussion is a type of traumatic brain injury that changes the way the brain normally works. A concussion is caused by a bump, blow, or jolt to the head or body that causes the head and brain to move rapidly back and forth. Even a "ding", "getting your bell rung" or what seems to be a mild bump or blow to the head can be serious.

WHAT ARE THE SIGNS & SYMPTOMS OF A CONCUSSION?

Signs and symptoms of a concussion can show up right after the injury or may appear days or weeks after the injury. If an athlete reports one or more symptoms of concussions listed below after a bump, blow, or jolt to the head or body, they should be kept out of play the day of the injury and until a health care professional, experienced in evaluating concussions, says they are symptom-free and OK to return to play.

SIGNS REPORTED BY COACHING STAFF:

-Appears dazed or stunned -Forgetfulness/confusion
-Moves clumsily -Answers questions slowly -Loses consciousness
-Shows mood or behavior changes

SYMPTOMS REPORTED BY ATHLETES:

-Headaches or pressure in the head -Nausea or vomiting
-Balance problems or dizziness -Blurry vision
-Sensitivity to noise -Memory problems -Confusion
-Feeling sluggish, hazy, or groggy

CONCUSSION DANGER SIGNS:

In rare cases, a blood clot may form on the brain of a person with a concussion. An athlete should receive immediate medical attention if after a bump, blow, or jolt to the head or body, they exhibit any of the following danger signs:

-One pupil is larger than the other -Cannot be awakened
-A headache that gets worse -Slurred speech -Seizures
-Repeated vomiting -Loses consciousness for any amount of time

WHY SYMPTOMS SHOULD BE REPORTED?

If an athlete has a concussion, they need time to heal. Repeating concussions can increase the time it takes to recover. In rare cases, repeat concussions in youth athletes can result in brain swelling or permanent damage that has the potential to be fatal.

WHAT SHOULD YOU DO IF YOU THINK AN ATHLETE HAS A CONCUSSION?

If you suspect that an athlete has a concussion, remove them from play and seek medical attention. Do not try to judge the severity of the injury yourself. Keep the athlete out of play until a medical professional says they are symptom-free and OK to return to play. Rest is the key to helping an athlete recover. After a concussion, returning to sports and school is a gradual process that should be carefully managed and monitored by a healthcare professional.
