REQUESTED ACTION STATEMENT

TO: Recreation Commission
Common Council
Mayor Dave Ament

FROM: Eric Snodgrass, Ast. Recreation Manager
Katie Roth, Recreation Manager

DATE: July 20, 2026

REQUESTED ACTION: Requested Action Statement for the recommendation of approval to the Common Council of the Room Rental Rates, Policies, and Procedures for the New Berlin Activity & Recreation Center (ARC) and Community Center at Hickory Grove.

FISCAL IMPACT: This RAS establishes standardized rental fees for community use of meeting spaces at the ARC and Community Center at Hickory Grove. Rental rates are based on the size of each rentable space at both facilities. These fees are intended to offset facility operations, custodial services, and staffing associated with room setup, takedown, and oversight.

**RATIONALE/
BACKGROUND:** The Recreation Department developed these rates, policies and procedures to create consistency, transparency, and operational efficiency for community use of meeting spaces within City facilities.

The policy clearly defines:

- Eligibility and reservation priority for civic, educational, community-service groups, and non-profit groups.
- Fee structure for meeting rooms, including guidelines for extended use and events beyond standard meetings.
- Application process, reservation timeline, and cancellation requirements.
- Facility expectations related to setup, takedown, cleaning, and check-in procedures.

The policy also aligns meeting room availability with the department's three Activity Guide publication periods (Fall, Winter/Spring, and Summer) to ensure public access once Recreation programming has been scheduled.

This policy provides a clear and consistent framework for managing facility use while ensuring that City and departmental needs remain the top scheduling priority.

New Berlin Recreation

Room Rental Rates, Policies, and Procedures

Purpose

When rooms at the New Berlin Activity and Recreation Center and Hickory Grove are available and not scheduled for Recreation Department or other City use, they may be reserved for civic, educational, cultural, intellectual, or community-service activities that align with the goals of the Recreation Department. Meeting room reservations are intended for group meetings. Any use beyond this allowance will require an additional rental application and approval.

Applicability & Oversight

- Use of a meeting room requires a reservation application, reviewed and approved by Recreation Department staff.
- Reservations are permitted only during the building's open hours, unless otherwise authorized by the Recreation Manager or Assistant Manager.
- Applications are processed on a first-come, first-served basis; no group has exclusive rights to any room.
- City-sponsored programs and events receive priority scheduling over all outside reservations.
- Availability is determined by the Recreation Department's three Activity Guide schedules: Fall (September–December), Winter/Spring (January–May), and Summer (June–August). Once an Activity Guide is published, community groups may submit meeting room reservation requests for dates within that season.

Eligibility & Use

Eligible Groups (In order of Priority):

- City of New Berlin Recreation Programs & other City of New Berlin Departments
- Nonprofit organizations (based in New Berlin)
- City of New Berlin or New Berlin neighborhood associations, clubs, and community groups
- Nonprofit organizations (based in Waukesha County) serving New Berlin Residents
- New Berlin School District
- Other groups, subject to approval by the Recreation Department and payment of applicable non-resident fees

Use Restrictions:

- Activities must not produce financial gain for the reserving group, except for Department-sponsored events.
- The facility may not be used for fundraising, commercial enterprise, or unrelated sales.
- Fundraising related events must be reviewed and approved by the Recreation Department. Fundraisers are only permitted on behalf of community based, nonprofit status organizations. Nonprofits may be asked to provide their tax-exempt status and information related to their nonprofit.
- No activities that violate laws, safety codes, or building regulations.
- Groups may be required to provide proof of insurance or liability coverage.
- Use is contingent on compliance with ADA access and staff safety protocols.

- Proof of non-profit or group status will be requested.
- It is understood that city's need for meeting room(s) will have first-priority in room use.
- Rental requests are subject to facility operating hours and staffing availability.

Fees & Charges

- A fee applies for each two-hour reservation for all rental able spaces. See table below for fees based on each rentable space. Any use exceeding two hours, or reservations that begin to resemble a social gathering, party, or special event rather than a standard meeting, will be assessed at a different rate determined by the Recreation Department based on the nature and duration of the request. This includes all time required for setup, takedown, custodial needs, and any additional services provided.
- Payment is due in full at the time of booking. Cancellations must be made at least 2 weeks prior to the reservation date to receive a refund. Late cancellations or no-shows may result in forfeiture of fees and potential suspension of future reservation privileges.
- Security Deposit fee of \$500 will be including at the time of a reservation for the following meeting spaces: Hickory Room, Indigo Room, and the Rose Room. The deposit is refundable following the rental if the conditions of the rental are met. If damages occur, the refund can be delayed.
- Conditions for withholding part or all of the security deposit include, but not limited to, the following:
 - Clean up not completed as expected
 - Use of room exceeds the rescheduled rental time
 - Facility damages occurred during rental. If the damages occurred and the cost of the damage exceeds the amount of the deposit, the rental applicant will be billed for the additional expenses. Damages could also lead to losing future facility use privileges. RE: Requested Action Statement for the approval of the creation of a Recreation Services Associate position for the Recreation Department.

DATE: 7/13/26

FISCAL IMPACT: Off-hours rentals will be directly charged for staffing required to operate the facility during non-standard hours. Rental fees will include the cost of the Recreation Services Associate, ensuring the position operates on a cost-recovery basis and does not create a financial burden on the City's general fund. The position will primarily be utilized during evenings, weekends, and early mornings when facility rentals, tournaments, and special events occur outside of standard Recreation Department staffing hours.

RATIONALE / BACKGROUND:

As usage of City recreation facilities continues to grow, the Recreation Department has experienced an increase in facility rentals, athletic tournaments, and special events occurring outside of normal operating hours. These events require staff presence to open and close the building, monitor facility use, provide customer service to renters, ensure adherence to facility policies, and respond to operational or safety needs.

Currently, accommodating these rentals often requires full-time Recreation staff to adjust their schedules or work extended hours. This can create operational inefficiencies and limit staff availability for core daytime responsibilities such as program planning, community partnerships, and facility management.

The creation of a Recreation Services Associate position would allow the Recreation Department to more efficiently manage facility rentals and tournaments during evenings,

weekends, and other non-standard hours while maintaining appropriate oversight of City facilities.

Rather than a single position, the Recreation Department intends to hire and train a pool of approximately 5-10 part-time Recreation Services Associates who can be scheduled as needed throughout the year based on facility demand. This staffing model provides scheduling flexibility, ensures adequate coverage for events and tournaments, and allows the City to scale staffing levels based on rental activity.

Additionally, tournaments and large-scale rentals bring participants and visitors into the community, often generating increased activity for local restaurants, hotels, and other local businesses. Ensuring the City has appropriate staffing to support these events helps position New Berlin as a desirable location for tournaments and community events while maintaining a positive experience for participants and spectators.

This approach supports continued growth in recreation programming and facility rentals while ensuring City facilities remain properly supervised, safe, and well maintained during off-hours operations.

STEM Coding Enrichment for the 21st Century learner. Each {YEL!} Coding class follows four basic components: •Teach It!...Students learn different story-telling and coding techniques (movement blocks, animation, dialogue, timing, etc.) •Code It!... Students use Scratch®* to code their own animated story lines: i.e. westerns, missions in space and even dance parties. •Explore It!...Students can write their own code, experiment with it and test new options. We foster a collaborative environment where students learn from each other's creativity. Sign up today to THINK, LEARN and PLAY WELL with {YEL!}. Scratch® is not affiliated with {YEL!} nor does it endorse this program.

Video Game Design - Dragons and Unicorns

"Dragons and Unicorns: Fun and Fury" inspires students to cultivate their creativity through character development and video game design. Students will design mythical dragons and unicorns that embark on a legendary quest to overcome obstacles and challenges, until they face an epic challenge to save the world!

PARENT NOTE: Students may be asked to bring toys from home to photograph and add to their video game stories.

REGISTRATION INFO

Due to increasing concerns about concussions in youth sports, we ask that you please review the following information, in accordance with Wisconsin Act 172, statute 118.293. Our participants' safety is our number one concern!

WHAT IS A CONCUSSION?

A concussion is a type of traumatic brain injury that changes the way the brain normally works. A concussion is caused by a bump, blow or jolt to the head or body that causes the head and brain to move rapidly back and forth. Even a "ding", "getting your bell rung" or what seems to be a mild bump or blow to the head can be serious.

WHAT ARE THE SIGNS & SYMPTOMS OF A CONCUSSION?

Signs and symptoms of a concussion can show up right after the injury or may appear days or weeks after the injury. If an athlete reports one or more symptoms of concussions listed below after a bump, blow, or jolt to the head or body, they should be kept out of play the day of the injury and until a health care professional, experienced in evaluating concussions, says they are symptom free and OK to return to play.

SIGNS REPORTED BY COACHING STAFF:

- Appears dazed or stunned
- Forgetfulness/confusion
- Moves clumsily
- Answers questions slowly
- Mood or behavior changes
- Loses consciousness

SYMPTOMS REPORTED BY ATHLETES:

- Headaches or pressure in the head
- Nausea or vomiting
- Balance problems or dizziness
- Blurry vision
- Sensitivity to noise
- Confusion
- Feeling sluggish, hazy, or groggy
- Memory problems

CONCUSSION DANGER SIGNS:

In rare cases, a blood clot may form on the brain of a person with a concussion. An athlete should receive immediate medical attention if after a bump, blow, or jolt to the head or body they exhibit any of the following danger signs:

- One pupil is larger than the other
- Cannot be awakened
- A headache that gets worse
- Seizures
- Repeated vomiting
- Slurred speech

WHY SYMPTOMS SHOULD BE REPORTED?

If an athlete has a concussion, they need time to heal. Repeat concussions can increase the time it takes to recover. In rare cases, repeat concussions in youth athletes can result in brain swelling or permanent damage that has the potential to be fatal.

WHAT SHOULD YOU DO IF YOU THINK AN ATHLETE HAS A CONCUSSION?

If you suspect that an athlete has a concussion, remove them from play and seek medical attention. Do not try to judge the severity of the injury yourself. Keep the athlete out of play until a medical professional says they are symptom free and OK to return to play. Rest is the key to help an athlete recover. After a concussion, returning to sports and school is a gradual process that should be carefully managed and monitored by a health care professional. Letters to Santa

Santa is taking some time out of his busy schedule to work with New Berlin Recreation to send personalized letters to some very special children. While everyone in the North Pole has been busy getting ready, they've asked for our help in getting letters to Santa from the boys and girls of New Berlin.

Come to the New Berlin Activity Recreation at 15321 W. National Ave beginning Monday, November 16, and there will be a letter writing center as well as the red mailbox.

In order for Santa to answer all the letters he receives, you need to write your letter by Thursday, December 3rd.

Elf Hunt

Oh No!! Santa needs our help ... and fast! He sent out his Scout elves to watch all the good little girls and boys this year, but some of the elves decided playing in the parks would be more fun. We need your help to find them so we can send them back to Santa before Christmas! Santa has tracked them to some of the parks in New Berlin. Can you help us?

Visit our Facebook page www.facebook.com/newberlinrecreation and Santa will give us his update every Monday beginning Nov 30th. Follow our page to keep up-to-date on which parks we have tracked the elves to and which elves are still missing! Prizes will be given to those who have found the elves!

Calhoun Creek Prairie Tour & Restoration

Here's a chance to help conservation efforts in our own community. This three hour event begins with a tour of the Calhoun Creek Prairie. You will learn about why prairie restoration is important, what's being restored, how it benefits Wisconsin's ecosystems and the wildlife at the Calhoun Creek Prairie. After the tour you'll participate in woody brush removal and invasive buckthorn removal. This work involves cutting down invasive buckthorn (a small shrub/tree) with loppers or handsaws, then dragging the cut material to brush piles for burning. A great opportunity to burn some calories! We recommend participants dress for the weather and wear long sleeves, pants, and closed-toe shoes or boots that you don't mind getting dirty. We provide all necessary tools, gloves, and eye protection for this event. Because of this registration is limited to 25 adult participants. We do require that all participants sign a waiver before any work begins. Presented by the New Berlin Garden Club and the Waukesha County Land Conservancy.

COMMUNITY WILDLIFE HABITAT CERTIFICATION

**NATIONAL
WILDLIFE
FEDERATION**

**NWTF certified
wildlife
habitat®**

**Join us on our mission to make New Berlin a
more wonderful place for residents and wildlife!**

New Berlin is committed to making a difference! The city recently became a "bird city" through Bird City Wisconsin. New Berlin is currently working on becoming a certified Community Wildlife Habitat, but we need your help to reach that goal. To do this, we need to obtain 250 habitat points. The city receives points when individuals certify properties such as homes, schools and common areas (ex. businesses, parks, libraries, city hall, etc.

THROUGH THIS PROJECT WE HOPE TO:

Engage the community.

We hope to bring people together to support New Berlin parks, as well as each other, in making our community healthier, sustainable, and wildlife-friendly. We would accomplish this through educational workshops and volunteer projects.

Implement conservation strategies.

Conservation begins in your backyard, and small actions can have a big impact. We want to use this project to teach homeowners to use sustainable gardening practices that encourage wildlife habitation.

Beautify our community.

We want to help residents create beautiful wildlife habitats using native plants and water features that welcome wildlife such as butterflies and bees.

2nd Annual Deck the ARC

Deck the ARC is back! Local non-profits, businesses, and community groups are invited to adopt an artificial tree to decorate and display at the ARC's Christmas Tree Lighting on December 3rd. Be part of the tradition, showcase your creativity, and light up the season with us!

How it Works:

- **Adopt-a-Tree:** Secure your tree by October 30.
- **Decorate:** Add your sparkle anytime November 14 – 25.
- **Contest & Lighting Night:** All trees will be judged during the Christmas Tree Lighting Event with prizes for the most creative designs! Tree Adopters are invited to set up a table at the Tree Lighting Event from 4-7pm.
- **Tree:** A 6FT artificial non-lit tree will be provided for use during the event. Adopters need to provide LED lights and decorations.
- **Display:** Trees will remain on display for the community to enjoy through December 30.
- **Clean-Up:** Please remove decorations from your tree by January 8.
